SPEYHAWK LTD

Associate Quantity Surveyor

Description

Associate Quantity Surveyor London

Up to £75,000 per annum plus mileage, health, pension and bonus incentive

Our client is a forward-looking Cost and Project Management Consultancy currently recruiting for a Senior Quantity Surveyor for their specialist Hotels division. A long-established name within the hospitality sector, they have built up an enviable reputation and client list of leading brands, working in Capex, newbuild and refurbishment projects.

You will be responsible for creating effective cost plans**,** tendering, procurement strategies, value engineering and management of day-to-day commercial activities once projects go live. You will work closely with the client's team, project managers and design consultants.

It's likely you will be degree qualified, BSc Quantity Surveyor with relevant Cost Management experience working for a consultancy or commercial practice on hospitality or high-end residential projects in the UK. Alternatively my client would consider someone with commercial fit out experience working on managed offices or corporate roll outs.

Key Criteria:

- BSc Quantity Surveyor
- Cost Management Experience (Consultancy)
- A background in Building projects (not heavy civils, infrastructure or oil and gas)
- London based or within proximity
- Relevant project experience (Hospitality or High End Residential)
- Full UK/Valid driving licence with access to own vehicle/transport

Please upload your CV in strict confidence through our website quoting the reference: JP982
