### Bid Manager

#### Description

**Up to £75,000 plus, health, pension, life insurance & profit share**

Our client is a long-established business, who operates in public and private housing sector. As part of their planned expansion they are looking for a Bid Manager with residential experience on major housing schemes.

The position will include managing all aspects of tender submissions up to commencement on site, including working closely with clients, contractors and their supply chain.

The main duties and responsibilities of the Bid Manager will include:

- Writing skilled bid submissions
- Resource Planning
- Bid management, on selected partnering schemes
- Design evaluation, value engineering and feasibility exercises
- Representing the company during the lead-in phase of contracts
- Liaise/negotiate with major/partnered specialist subcontractors

This is an office-based position and would suit someone from either a Contracting environment or Consultancy / Development Management organisation that has experience of major housing regeneration schemes.

Please [upload your CV](#) in the strictest of confidence through our website quoting the reference: JP632 Bid Manager

**Bid Manager – Proposals Manager – Bid Coordinator**
