### CAD Technician

#### Description

**CAD Technician required to join a busy -Manufacturer / Contractor in Hertfordshire**

***Up to £37,500 per annum plus pension and annual bonus incentive***

Our client is a privately-owned manufacturer and specialist sub contractor, who are enjoying a period of planned expansion. A market leader in their field, they have now reached the stage where they seek an ambitious CAD designer to join their production manufacturing team.

The role will be predominantly office based with occasional travel to sites, working on detailed drawings using CAD both 2D & 3D.

Key criteria:

- Previous UK Construction Industry experience or Manufacturing
- Client facing / interface
- CNC experience advantageous

Candidates must already be living within a short commute of their offices in Hatfield and hold a UK driving license and own vehicle. Full training of their products will be given.

Please upload your CV to Jamie Pearson quoting the job reference: JP642
