### Clients Project Manager

#### Description

#### **Project Manager – Client Side – Construction – Hotels – London**

*Up to £80,000 plus travel, benefits & bonus incentive*

Our client is a luxury hotel development organisation with assets across London and Europe.

#### Key Requirements:

- It's likely you will be from either a Project Management background having worked for consultancy, development client or hotelier on projects (in excess of £50 million plus in the UK or Europe), specifically hotels, new build or refurbishment.
- You will be degree qualified in either Construction Management or architecture and are now looking to further yourself in a dynamic, busy environment that recognises and rewards personal achievement.

This is an excellent opportunity to progress within a small but highly professional team on projects of distinction.
