Commercial Manager

Description

Up to £550 per day + Travel & Bonus Incentive

Occasionally a unique career opportunity occurs, where a highly successful and consistently profitable organisation seek a true construction professional to play a key role in their continued success.

A highly professional Commercial Manager with excellent presence is sought, combined with an all-round appreciation of major building projects, but with an emphasis on strong commercial strategy and procurement techniques, will be appointed.

The position demands a Senior Quantity Surveyor or Commercial Manager from either a Developer/ Contractor or Consultancy background, ideally with a proven track record in the successful and profitable management of mixed use or high-end developments with values in excess of £150 million.

This appointment offers a unique career opportunity, and the successful candidate could become directly involved in the management and future development of the Company. The package offered reflects the crucial nature of the position and as well as all the normal senior management benefits, an attractive bonus scheme is in operation, both personal and company profit related.
