SPEYHAWK LTD

Construction Contracts Manager

Description

Speyhawk Ltd are recruiting for a Contracts Manager Construction to join a long established specialist contractor from the cladding industry with operations in Hertfordshire and throughout London.

Up to £70,000 per annum + car or allowance, monthly bonus & pension

Our client is a long-established name in this specialist field and is part of an operating division within a highly profitable group who are currently enjoying a period of planned expansion. They have now reached the stage where they seek an ambitious Contracts Manager to play a key role in their future development.

The requirement is for Contracts Manager with preferable experience within the cladding and curtain walling sector, however they would also consider someone with a good all-round knowledge of construction gained with a contractor in the UK. Alternatively, a specialist allied to their business such as architectural glazing or scaffolding.

This key role will involve the responsibility for Contractual Management of several projects with combined vales of circa £10million. You will be the line manager of a multidisciplinary team and report directly into the main board. Commercially minded, with the ability to interact in pre and post construction activities, planning, estimating and assisting in value engineering and cost control, working closely with the design and commercial teams.

Our client can offer long term career prospects, a generous remuneration package, including a monthly profit share related bonus.
