### Construction Director

#### Description

Construction Director – Tier 1 Contractors Senior PM – Super Prime Residential London

**Up to £600 per day shift**

Acting on behalf of an international investment house, you will be responsible for overseeing the appointed Consultants and Contractors on a flagship new build development in London. You will have a strong technical background supported by a formal qualification in construction, either Construction Management or Civil Engineering with demonstrable Project Management experience gained on Super Prime residences in the UK (£10m+ in value per unit).

Our client has a gilt-edged network of High Net worth individuals who they are representing. They require an ambitious individual capable of driving the delivery of the project on site, overseeing tier one contractors and consultants to ensure our clients exacting standards are met and a timely completion.

Key Criteria:

- **Construction Project Management experience gained with a tier 1 contractor or high-end residential developer**
- Major Projects experience with front end delivery experience
- The ability to manage project teams effectively, remotely and in situ
- Commercially astute with a keen eye for design and detail
- Currently living within a commutable distance of London
