Construction Director

Description

Construction Director – National Contractor – London

Up to £120,000 plus generous benefits to include personal travel, private health, pension and generous personal bonus

The Opportunity:

Due to a period of planned expansion our client has an exciting opportunity for an ambitious Construction Director to assume the operational control of a major new build – mixed use development North of the River.

What they are looking for:

With a solid background in contracting, you will have private sector experience on major projects, commercial and residential with typical values in excess of £100million.

The role you will play:

You will lead a site team of approximately 20 personnel and motivate by example, to ensure all staff within your management perform their duties efficiently.

The Salary / Package:

This is a senior opportunity and the package on offer reflects the importance of the appointment, offering a highly competitive basic salary, car allowance, family health and contributory pension and bonus incentive.

Please apply in strict confidence to Jamie Pearson, quoting the reference: JP691
