Construction Manager Fit Out

Description

Construction Manager | Fit Out | Hertfordshire based specialist contractor on education projects across London and the Home Counties.

Up to £60,000 per annum, company vehicle, plus pension and performance bonus

This highly successful Specialist Contractor offers a full turnkey service to a demanding client base of both main contractors and end clients, supplying & fitting their specialist products across London and the home counties.

They are now seeking an experienced Construction Manager / Project Manager to oversee trade contractors, report on progress and facilitate the smooth and timely delivery of projects.

You will have a minimum of 3 years' UK contracting experience working on commercial fit outs with project values typically between £25,000 and £200,000 in value. It's likely you will be qualified (HNC) or ex-trades, time served progressing from a foreman in an allied business.

Applicants must be able to read and interpret technical drawings and programs. This role would suit someone living in Hertfordshire or neighbouring counties. A full UK driving licence is essential.

Please apply below or upload your CV in strict confidence through our website quoting the Reference: Construction Manager JP787
