Construction Site Manager

Description

Construction Site Manager required for a four-month assignment to assist a Herts based specialist contractor on school fit out projects across London and the Home Counties.

£250 – £275 per day shift (10hrs per day)

This highly successful Specialist Contractor offers a full turnkey service to a demanding client base of both main contractors and end clients, supplying & fitting their products across London and the home counties.

They are particularly strong in the education sector and there is naturally a spike in demand to get projects completed over the summer period.

They urgently require an experienced Site Manager to support two project managers, overseeing trade contractors, reporting on progress and facilitating the smooth and timely delivery of projects.

You will have a minimum of 3 years' UK contracting experience working on commercial fit outs with project values typically between £25,000 and £100,000 in value. It's likely you will be qualified (HNC) or ex-trades, time served progressing from a foreman in an allied business.

Applicants must understand be able to read and interpret technical drawings and programs. This role would suit someone living in Hertfordshire or neighbouring counties. A full UK driving licence is essential.

Please apply below or upload your CV in strict confidence through our website quoting the **Reference: Site Manager JP747**
