Construction Site Manager

Description
Site Manager – Architectural Metalwork – Specialist Contractor – North London

Up to £65,500 plus travel, health & pension & bonus

Our client is an established name in the field of architectural metalwork for building industry and provide a full turnkey service for bespoke internal and external fabrications. As part of a period of growth and secured framework contracts, they have a new opportunity for a Site Manager to join their delivery team.

This role would suit someone who has already cut their teeth in the Construction Industry, working for a specialist contractor or main contractor. Prior exposure in the curtain walling, cladding or structural steel industry would be a distinct advantage.

You are now looking to develop your career as a Site Manager within a privately owned and operated business that will give you the time and training to fulfil your aspirations and run your own projects. **A degree is not essential.**

They have a diverse client base with projects in the commercial, residential, aviation, transport and education sectors throughout London.

Please apply below or upload your CV through our website quoting the reference:- Site Manager Metalwork JP1068.
