Estimator

Description

Speyhawk Ltd are recruiting for an Estimator to join a leading Specialist Sub Contractor in North London

Up to £65,000 + Travel Allowance & Pension

This highly successful specialist contractor offers a supply and installation service to Architects, Developers and end users alike. Working within London's super prime residential, high-end commercial and luxury hospitality markets.

Due to an increased demand for their highly innovative product range, a new appointment has been created for an Estimator to support their commercial team.

You will be from either a Surveying or Estimating background where you have been involved in the preparation of estimates and proposals for high quality external works in the £2.5million to £10million price range.

You will already have gained valuable experience, working for a specialist contractor or minor works division of a general contractor and now looking to specialise. Previous experience within the natural stone and facades market would be a distinct advantage.

Your services are urgently required and in return you will be offered defined career progression and the recognition a privately owned and operated business can offer.

Please [upload your CV](#) in strict confidence, quoting the reference: Estimator JP799
