

## Clerk of Works

### Description

#### *Up to £400 per day shift*

Our client, a Prestigious Development Management Consultancy have been appointed to manage the delivery of a flagship project in Central London, comprising luxury residences, serviced apartments and retail offering.

They require a traditional Clerk of Works from a technical or trades background to monitor the quality and execution of the specialist building trade contracts, both internal and external to include facades, roofing, through to the fit out and finest finishes.

You will be part of a small team, ensuring all work is carried out as per specification and to the clients exacting standards.

You could be from either a Main Contracting background or developer with a formal training in Quality Management or an appropriate trades qualification. In addition, previous experience of residential or hospitality projects gained as a Clerk of Works in the UK is a prerequisite.

This is a fixed term contract of approximately 24 months, offering an immediate start.

Please apply below or upload your CV in strict confidence through our website quoting the reference: Clerk of Works JP692
