### Joinery Workshop Manager Bahrain

#### Description

##### Joinery Workshop Manager – Bahrain – Middle East

##### **Up to £75,000 Tax Free + Accommodation Vehicle and relocation package**

Up to 30,000 BD to 32,500 BD per annum plus 13<sup>th</sup> month payment, 1 or 2 bed serviced apartment, relocation package, married status, fully expensed vehicle, generous leave entitlement

Our client is a specialist joinery manufacturer to the construction industry. They design and fabricate a range of purpose made products to include doors, cabinetry and furniture for high end interiors.

They are a long-established business and operate out of modern, well-equipped facilities, covering over 4000m2 and a multiskilled workforce of over 50 bench joiners/craftsmen.

The requirement is for a seasoned Workshop Manager with extensive experience of managing a well-oiled production facility in the UK, Americas or Middle East.

**Previous joinery experience** to include the use or supervision of specialist machinery such as a 5 axis CNC routers, bandsaws, planers and spindle moulders is essential.

The successful candidate must enjoy a challenge and be capable of managing and organising the work in a multi-cultural environment. This will involve imposing modern workshop procedures, health and safety, as well as organising on-going staff training and development in order to improve the skills within the workplace.

A competitive basic tax-free salary is being offered with free accommodation or an appropriate housing allowance together with a suitable vehicle. Although initially the position is offered on a bachelor basis, this can be converted to a married posting after a successful proving period.
