Junior Project Manager

Description

Junior Project Manager Construction | Project Co-ordinator | Landscaping & Construction Services – Hertfordshire

Up to £35,000 Starting Salary + Bonus + Company Van + Career Progression

Our client is looking for someone who has already cut their teeth in the Construction or Landscaping industry and is looking to develop into a Project Manager, running a small team across multiple live projects.

Perhaps you have hands-on experience or a formal training within landscaping, plumbing, electrical works or general construction and are now looking to take the next step into project coordination and management.

Our client is a specialist contractor delivering high-quality landscaping services across Hertfordshire. Due to their continued growth, they are now looking to recruit a Junior Project Manager who wants to build a long-term career within project management and construction operations.

This role would suit someone who:

- Has practical site or landscaping experience or a related qualification
- Wants to move away from being “on the tools” into coordination and management
- Enjoys organisation, problem-solving and working with people
- Is eager to learn the commercial and operational side of projects
- Wants genuine career progression and responsibility

Working closely with an experienced Contracts Manager, you will become involved in:

- Coordinating labour, materials and subcontractors
- Assisting with project delivery and programme management
- Site visits and client liaison
- Commercial administration and procurement support
- Health & Safety and quality processes
- Supporting the successful delivery of landscaping and construction projects

This is an excellent opportunity to join an independently owned and growing business where your contribution will be recognised and rewarded. You will receive structured mentoring, real responsibility and the chance to progress into a fully-fledged Project Manager role as the business continues to expand.

The company operates in a professional, team-focused environment and is seeking someone with energy, initiative and the right attitude to grow with them long-term.

The role is based in Hertfordshire with travel to sites, so applicants MUST hold a
