### Construction Project Manager

#### Description

**Project Manager – Specialist Contractor – Architectural Glass Hertfordshire**

***Up to £55,000 plus private health, pension & 10% annual bonus***

Our client is a well-established in the specialist field of architectural glazing and metalwork for commercial building interiors and exteriors. They have a rare opportunity for a Project Manager to join their team. This role would suit someone who has had prior exposure with an allied business such as curtain walling, cladding or glazing in a Project Management capacity.

You are now looking to further your career within a well reputed business that will allow you to fulfil your aspirations and run your own projects with complete autonomy. **A degree is not essential.**

They have a diverse client base with projects in the aviation, transport (Underground), commercial and education sectors, across London and the Southern Home Counties.

As a small to medium enterprise, you will be involved in a number of aspects of the business and will initially work closely with a Senior Contracts Manager, visiting sites, meeting clients, assisting with both commercial and operational duties. A professional and methodical approach to your work is key, in addition you will be computer literate and proficient with Outlook and Excel.

**A FULL UK DRIVING LICENCE AND YOUR OWN VEHICLE IS ESSENTIAL.**
