Project Manager Construction

Description

Project Manager Construction – Passive Fire Protection

Up to £55,000 + Car Allowance + Bonus

A successful **specialist passive fire protection contractor** is looking for a Project Manager to join their team, delivering projects across **London and the Home Counties**.

Working across the **commercial and industrial sectors**, you'll manage passive fire protection projects from initial client meetings through to delivery and handover, with responsibility for programme and commercial performance.

The Role

- Client and subcontractor management
- Programme, quality and compliance
- Variations, valuations and project handover
- Work closely with the MD and wider team

About You

You'll ideally have **3+ years' UK construction experience**, preferably within **passive fire protection, fire stopping, specialist contracting, fit-out or refurbishment**.

Apply in confidence to Jamie Pearson quoting JP1064
