### Quantity Surveyor

#### Description

**Commercially minded Project Manager / Quantity Surveyor trained | Prime Residential | London & Europe**

***Up to £85,000 + pension, travel to include 4\* accommodation & bonus incentive***

This is an exciting and challenging opportunity for a commercially minded Project Manager to join a boutique Project and Development Management Consultancy operating in the private residential sector, building luxury one off residences for ultra-high net worth individuals, with interests across Europe. The requirement is for an experienced Quantity Surveyor or Cost Manager from either a Contracting or Consultancy background who is looking to diversify into more of a Project Management role.

You will be responsible for developing client briefs for new build and refurbishment projects with typical values ranging from £10 million to £50 million. You will also be involved in the day to day management of post contract commercial duties, advising on consultant teams, procurement strategy, sub contract selection and cost control and contract administration.

#### Key criteria:

- Building/Construction experience gained with a PQS, Cost Management Consultancy or top tier contractor
- Recent UK Experience on residential or hospitality led projects with some client interface
- Qualified BSc. Quantity Surveying or Construction Management
- MRICS Advantageous
- Office based in South East London, with travel to Europe

Please apply below to Jamie Pearson quoting the reference: Commercially minded Project Manager JP865

Alternatively, please upload your CV in the strictest of confidence through Speyhawk's website.
