Date posted
12th November 2026

Valid through
27.12.2026

Description

Project Quantity Surveyor – Specialist Contracting – Scaffold – London

Up to £75,000 + Car Allowance + Benefits & Bonus

The company is dynamically managed, highly successful, with an impressive portfolio of commercial clients such as top name contractors, transport operators and development companies.

They are a quality driven organisation with an established team of directly employed staff and scaffolders, supported by dedicated management, as well an effective on-going training and development programme.

A highly motivated and commercially driven project surveyor with experience of scaffolding is required to manage contracts up to £2million. Close co-operation with the Commercial Manager, to monitor site progress, record variations and site instructions and ensure projects are tightly administered up to final account stage is an essential prerequisite.

The initial level of responsibility will be high, but opportunities for rapid advancement are anticipated for the right candidate with the rewards to match.

You could be from either a quantity surveying or scaffolding background, with five years' demonstrable experience (off the tools) in a contractual/commercial role. A degree is not essential.

Please apply to Jamie Pearson in strict confidence quoting the reference: JP1066
