Quantity Surveyor

Description

Quantity Surveyor Hertfordshire

Up to £40,000 + Benefits & Bonus

This is an excellent opportunity for a recent construction graduate who has a couple of years' Quantity Surveying experience under their belt to join a privately owned, highly successful building consultancy. They have a diverse client base, spanning education, residential, health and care schemes.

The position will entail working closely with a Senior Commercial Manager and you will be involved in all aspects of the business, in particular pre-contract work to include schedules and preparing cost plans. The role will also involve post contract commercial duties, cost value reconciliations, which will give you an excellent all-round understanding of this fast-moving environment.

The ideal candidate will be degree qualified in either Construction Management or Quantity Surveying, with post graduate experience gained in the UK.
