Quantity Surveyor Construction

Description

Quantity Surveyor London | Specialist Contractor | Construction Jobs

Up to £75,000 + Travel, health and pension

Our client is a highly successful specialist contractor and well known for their expertise in the field of stone on major projects in London. They operate predominantly within the confines of central London, so applicants must already be living within a daily commute as the role will be office-based Monday to Friday with travel to sites.

Prior experience of having worked for a main contractor or specialist in an allied field such as facades, landscaping or fit out with elements of natural stone is essential.

You will take financial control of projects with package values up to £5million, including estimating, cost appraisals, production of budgets, cashflow forecasts, procurement, reconciliations and payment of accounts. You will run your own projects and report directly to the Commercial Director.

If you feel that you have the ability and ambition to match the needs of this progressive company then please apply below or Upload your CV in strict confidence through our website quoting reference: Quantity Surveyor JP1014
