### Intermediate Designer

#### Description

**Retail Designer | Fit Out | North London**

Up to £46,000 per annum plus travel, parking, health and pension

Are you a talented designer ready to make your mark in the dynamic world of retail fit-outs and concessions? Our client, a specialist manufacturing/contractor is looking for an Intermediate Designer to join their innovative team in their journey to create retail distinction.

#### Key Responsibilities:

- Collaborate with our experienced design team to conceptualise and develop retail fit-out and concession designs that exceed client expectations.
- Previous experience in a manufacturing/design environment creating detailed drawing for production and CNC would be advantageous.
- Utilise your creativity and technical skills to produce renderings, and presentations that bring concepts to life.
- Work closely with project managers and contractors to ensure designs are executed seamlessly within budget and timeline constraints.
- Stay up to date with industry trends and best practices to continuously innovate and enhance our design offerings.

#### Requirements:

Ideally you will be qualified with a bachelor's degree in Retail Design, or related design field. Alternatively, HNC level design with a minimum 2+ years of experience in retail design or a similar field, with a strong portfolio showcasing your design skills and creativity. Proficiency in CAD software, Adobe Creative Suite, and other design tools. Excellent communication and collaboration skills, with the ability to effectively interact with clients, team members, and stakeholders.

This is an excellent opportunity to work on exciting retail projects for renowned brands and clients in a collaborative and supportive work environment that values creativity and innovation. Competitive salary and benefits package, including opportunities for professional development and growth is offered.

If you're passionate about creating immersive retail environments and ready to take the next step in your design career, we want to hear from you. Please upload your CV below quoting the reference: Intermediate Designer JP919
