Senior Project Manager Construction

Description

Senior Project Manager – Luxury Residential Developments – Dubai, UAE

£125,000 Tax-Free Basic + Benefits to include vehicle and contribution towards accommodation

Shape Dubai's Skyline with High-End Luxury Projects!

A prestigious developer specialising in **luxury residential projects** is seeking a dynamic and experienced **Senior Project Manager** to lead their flagship developments in Dubai. This is a unique opportunity to manage iconic projects in one of the world's most vibrant real estate markets.

Key Responsibilities:

- Oversee the planning, execution, and delivery of high-end residential projects from inception to handover.
- Manage project timelines, budgets, and quality standards to ensure world-class results.
- Coordinate with design teams, consultants, contractors, and stakeholders to achieve seamless project execution.
- Monitor progress, identify risks, and implement mitigation strategies to ensure projects are delivered on time and within budget.
- Ensure compliance with local regulations, safety standards, and sustainability goals.

Requirements:

- Degree in **Civil Engineering, Architecture, or Construction Management**.
- Minimum of **5 years' project management experience**, with a strong background in **luxury residential developments**.
- Proven track record of delivering high-value projects in internationally to include UAE or GCC would be advantageous.
- Exceptional leadership, communication, and stakeholder management skills.

How to Apply:

Upload your CV and cover letter quoting the reference: **JP971 SPM Dubai**
