### Senior Quantity Surveyor

#### Description

Our client is a forward-looking Cost and Project Management Consultancy currently recruiting for a Senior Quantity Surveyor for their specialist Hotels division. A long-established name within the hospitality sector, they have built up an enviable reputation and client list of leading brands, with project values in excess of £50million.

You will be responsible for creating effective cost plans, procurement strategies, value engineering and day to day commercial activities once projects go live. You will work closely with the client's team, design consultants and supply chain.

It's likely you will be a Chartered, MRICS Quantity Surveyor with relevant Cost Management experience working for a consultancy or commercial practice on hospitality or high-end residential projects in the UK.

#### Key Criteria:

- BSc Quantity Surveyor
- Cost Management Experience (Consultancy)
- A background in Building (not heavy civils, infrastructure or oil and gas)
- London based or within proximity
- Relevant project experience (Hospitality or High End Residential)

Please upload your CV in strict confidence through our website quoting the reference: Senior Quantity Surveyor – JP681.
