SolidWorks Designer

Description

SolidWorks Designer | Construction | Hertfordshire

Up to £65,000 + Health + Pension

The Company:

A long-established specialist contractor delivering full turnkey **design, supply, and installation services** across major **commercial, transport, aviation, and rail projects** in London and the Southeast. Typical project values range from **£50,000 to £250,000**.

The Role:

We're seeking an experienced **SolidWorks Designer** to join our in-house **Design and BIM team**. You'll play a key role in producing accurate 3D drawings and supporting the delivery of complex construction packages.

Key Requirements:

- Strong proficiency in **AutoCAD 3D** and **SolidWorks**.
- Minimum **3 years' experience** with a UK specialist contractor (curtain walling, cladding, or structural steel or architectural metalwork preferred).
- Based within easy commuting distance of **Hertfordshire** – this is an **office-based role** with occasional site visits.
