Construction Manager

Description

Construction Manager Caribbean | Luxury Residential Development | Grand Cayman

Up to £90,000 salary tax free

An exciting opportunity has arisen for an experienced Construction Manager to join a prestigious development client delivering a portfolio of luxury residential homes in Grand Cayman.

Acting as the developer/contractor, you will oversee the delivery of a range of high-end residential commissions, from bespoke new-build family homes through to the refurbishment and redevelopment of existing luxury properties.

These projects demand a high level of technical understanding, attention to detail and the ability to coordinate specialist consultants and contractors to deliver exceptional standards.

The Role

- Oversee construction delivery across a range of high-end residential projects.
- Manage projects from renovation and refurbishment through to bespoke new-build homes.
- Monitor programme, quality and budget throughout the construction phase.
- Ensure projects are delivered to the highest architectural and construction standards.

The Candidate

- Background working for a main contractor, construction manager or high-end residential developer.
- Proven experience delivering luxury residential new-build or refurbishment projects.
- Strong construction knowledge with the ability to coordinate multiple disciplines.
- Commercially aware with a practical, delivery-focused approach.

The Opportunity

- Work on high-value luxury homes in the Caribbean.
- Join a long-term private development client with a pipeline of projects.
- Opportunity to oversee bespoke architectural homes and complex refurbishments.
